Learning Outcomes for CI Orientation Session

1. Express an initial understanding of the development of DEUS locally, nationally, globally
2. Identify main concepts of a Dedicated Education Unit as a model of innovation for clinical education within an academic-service partnership
3. Exhibit beginning level knowledge, skills and attitudes for Clinical Instructor (CI) role and CFC roles on DEUs
4. Reflect on strategies for quality improvement in nursing practice and in nursing education and DEU future initiatives
5. Establish a network of support and collegiality with DEU Partners

For questions, contact Charlie Burke, Project PDQ (DEU) Coordinator study.pdq@umb.edu
